Dear Ms. Savage:

This is in reply to your undated letter to Air America, Inc. requesting information on employees of that company who are in a missing status.

Air America, Inc. was a commercially chartered corporation incorporated in the State of Delaware and dissolved by certificate of dissolution filed on 1 April 1976. Consequently, there is no one who can respond on behalf of Air America to your request. However, during the period when the corporation was winding up its affairs, it provided all available information on missing persons to the Department of Labor, Office of Workers' Compensation Programs, Division of Federal Employee's Compensation, Branch of Special Claims, Washington, D.C. (202-724-0051). Accordingly it is suggested that you contact the Department of Labor as the best source of the information you seek.

If you have any questions regarding this matter, do not hesitate to call me at [redacted]

Sincerely,

STAT
